INTRODUCTION

B.C.M. College of Nursing is established in 1990 by Rev. Fr. Gerard Perazzini O.F.M. Cap and placed under the management of the Society of the Sisters of the Holy Cross, North Indian Province. Since the year 1906 the Society has been devoted to the noble cause of serving the needy, particularly those of the under privileged and marginalized sections of our country with special attention in the field of health care. Commissioned by the Congregational charism and the vision of the society, we strive to bring life where there is disease and death. We envision a transformed society in which we join hands with institutional and community health services through curative care, empowerment and education.

The B.C.M. Hospital and the College of Nursing are owned and administered by the Northern Society of the Sisters of the Holy Cross registered under the Societies Registration Act 1860. Our tradition as a Catholic Institution has been to further the healing ministry of Jesus Christ. Patients who entrust themselves to our care will be treated with human dignity and sensitivity.

BCM School of Nursing opened its door in March 1990 in response to the need of the time, First of all to uplift the dignity of women which was considered low in the society, also to uplift the standard of Nursing Profession as a whole and overcome the shortage of nursing personnel in North India. The BCM School of Nursing has its official recognition by the Indian Nursing Council (Ref.No.12-15/87 dated 19.10.89) and that of the U.P. State Nursing Council. (Letter No.IMI/88/4169 dated June 10, 1988)

B.C.M. College of Nursing was a long awaited dream of the Northern Society of the Sisters of The Holy Cross. So the new block of the School of Nursing with all the essential facilities to start B.Sc. Nursing Programme was built and inaugurated on 19th January 2005. After the tireless effort and hard work put up by the management, the institution was permitted to start B.Sc. Nursing programme by the Indian Nursing Council (FileNo. 02/ Jul/2015 dated 16/07/15) and Provisional affiliation with King George's Medical University (LetterNo. 172/Affil/2016 dated 08/02/2016). According to Govt. order from 2021-22 academic year, the institution is affiliated to **Atal Bihari Vajpayee Medical University, Lucknow, U.P.**

The main aim of the course is to bring up graduate nurses to assume responsibilities as competent professionals and nursing teachers in all clinical settings.

The B.C.M. Hospital is a 190 bedded general hospital which has obtained final accreditation by NABH. The hospital provides comprehensive healthcare services through its departments of General Medicine, MICU, General Surgery, SICU, Laparoscopic Surgery, Paediatrics and Neonatology, NICU, Modular OT, Gynecology and Obstetrics,

Orthopedics, 24 hours Emergency Department, Radiology, Clinical Pathology, Dentistry, ENT, Psychiatry, Ultrasonography, Dialysis, CT scan, Canteen Service, well functioning Physiotherapy and Leprosy Control Program, Rehabilitation and Community Health Programme. B.C.M. Hospital is situated in Khairabad, a village about eight kilometers south of Sitapur District, U.P.

PHILOSOPHY

B.C.M. College of Nursing Faculty believes that :

1. Holistic formation is possible for every human being: provided they are placed in a suitable atmosphere, so that they can transform the society.
2. Professional knowledge, skill and attitude can be enhanced only through higher levels of education.
3. Nursing is a caring profession. Caring is a service, art and a vocation which is accomplished with wisdom, knowledge, skill, competence, commitment and compassion.
4. Nursing education should foster the development and use of modern scientific and technological advancement in the field of nursing service in the hospital and to face the challenges in the community settings.
5. Nurse educators, administrators, clinical specialists and researchers will be able to contribute towards professional excellence.

VISION

To be an institution of excellence and value oriented education, rendering service marked with quality, integrity and commitment in the service of humankind.

MOTTO

The motto of the college is “*to Love, to Serve and to Heal*”

OBJECTIVES ARE TO :

1. Provide quality nursing care to individuals and families in any kind of health care setting by applying scientific principles and nursing process.
2. Assume responsibility as professionally competent nurses in providing promotive, preventive, curative and rehabilitative services in line with the national health policies and programmes.
3. Develop skills in applying scientific principles and knowledge in providing comprehensive nursing care to all patients.
4. Demonstrate skills in teaching, supervision, administration and therapeutic communication.
5. Demonstrate leadership qualities and decision making abilities in various levels of professional practice.
6. Develop motivation for ongoing learning for personal and professional development.
7. Practice ethical values in the personal and professional life and render nursing care with commitment & compassion.
